Periodically, matters arise that must be addressed prior to the next scheduled Board meeting. 2. This initial message will invite discussion of the issue and will specify the date and time at which the vote will be taken. This deadline will normally be five days from the date of the original e-mail message but this time may be shortened if greater urgency is required or if the motion is routine.
3. When discussions are taking place, members shall use the "Reply to All" command (or equivalent) so that all members will receive all comments.
4. At the deadline, the Chair will send out another e-mail message calling for the vote. Respondents should again use the "Reply to All" command. When a majority of available members has voted yes or a majority has voted no, the Chair will declare the motion passed or defeated in a final e-mail message. 201 GIFT ACCEPTANCE	Approved/Reaffirmed (Oct 2016)

BACKGROUND:

Osprey Community Foundation is a public foundation and a not-for-profit corporation under the Canada Not-for-Profit Corporations Act. It is also a registered charity under the Income Tax Act (Canada).

The Foundation’s mission:

Through the growth and stewardship of permanent endowment funds and the distribution of income to a broad range of eligible organizations and activities, Osprey Community Foundation works to improve the quality of life for all area residents

The Foundation:

- Exercises philanthropic leadership in identifying and addressing community needs and opportunities;
- Attracts and manages charitable gifts of cash, pledges, bequests, memorials and life insurance in the form of permanent endowments;
- Invests these pooled funds prudently, and uses the earnings to make grants, often in partnership with others, to deserving, non-profit organizations for the benefit of all types of charitable activities: social services, arts and culture, education, health and the environment.

Osprey Community Foundation is thus a catalyst and resource for philanthropy throughout the region. It is a vehicle for generous citizens who want to give something back to the community both during and after their own lifetime.

POLICY RATIONALE:

Gift Acceptance policies are important in ensuring that donations are used to further the mission of the Foundation and include appropriate consideration of donor objectives. They, along with Fund Agreements, provide clarification of roles, responsibilities and expectations of both the Foundation and its donors.

Gift acceptance policies provide guidance for Board decision-making. They:

- ensure that gifts to the Foundation are made in accordance with legal and ethical regulations and guidelines;
- promote consistent practices as we exercise our fiduciary responsibilities; and
- protect the Foundation from potential liability related to gifts that come with (sometimes unforeseen) financial consequences.

These policies can help to enhance long-term relationships with donors, and encourage donors and Foundation representatives to work together to provide the most effective benefits to our community congruent with the donor's philanthropic wishes.

POLICY:

1. The Foundation will abide by all laws governing the charitable sector.
2. Foundation volunteers, friends and staff members are authorized to encourage donors to make both outright and deferred gifts. The types of deferred gifts to be offered include bequests, gifts of life insurance policies and proceeds, and such other gift arrangements as the Board of Directors may from time to time approve.
3. Persons acting on behalf of the Foundation shall inform, serve, guide or otherwise assist donors who wish to support the Foundation's activities, but never under any circumstances are they to pressure or unduly persuade.
4. Persons acting on behalf of the Foundation shall, in all cases of potential major new gifts, encourage the donor to discuss the proposed gift with independent legal and/or tax advisors of the donor's choice so as to ensure that the donor receives a full and accurate explanation of all aspects of the proposed charitable gift.
5. Osprey's Executive Director is authorized to negotiate planned gift agreements with prospective donors, following guidelines approved by the Board of Directors. Gifts will be planned to benefit the community through the Foundation, and to effectively interpret the donor's charitable interests.
6. All proposed agreements of planned gifts shall first be reviewed and approved by the Board.
7. Gift agreements will clearly identify that it is the responsibility of the Board of Directors to approve all disbursements of net income from endowed funds.
8. Any member of the Board or staff can accept a donation if it is under \$2,000 and it has no apparent conflict with the policies and goals of the Foundation. All gifts of \$2000 or more must be approved by the Board. This includes periodic giving (e.g. monthly) where the cumulative total over a calendar year meets or exceeds \$2000. It should be clear to the donor that final issuance of a tax receipt will be completed after approval at the Board level.
9. The Board of Directors reserves the right to decline to accept a gift based on lack of congruency with the Foundation's mission; desire of the donor to exert unacceptable conditions or controls over disbursement of the net income from the gift; cost-of-ownership implications related to administration time, management and marketability of the gift; unacceptable risks; gifts that are illegal; or other factors agreed to by the Board of Directors.

10. Donors' wishes regarding recognition or anonymity regarding a gift will be honoured, provided that any recognition is congruent with the Foundation's usual standards of practice and legal requirements. Should the donation require Board approval, the donor's name will be provided so that the Board is fully informed when making their decision but the minutes will show only that the gift was made by an anonymous donor.
11. All new Fund Agreements must be reviewed and signed by two members of the Executive.
12. Any gifts in kind be accepted with the understanding that the receipt will be for the net amount received on the sale of the asset, unless for any reason the Board chooses not to convert the asset into cash, in which case the value will be determined in the agreement between the donor and the foundation
13. Gift related costs such as legal fees, appraisals, real estate commissions and taxes relating to acceptance, maintenance, management or re-sale of a gift of property, will be the responsibility of the donor except as indicated below, or unless the Foundation, upon prior agreement, agrees to assume responsibility for any portion of the costs of these items. The Donor will be receipted for the net amount actually received by the Foundation.
14. For online donations received through PayPal, the Foundation will normally absorb the administration fees 'as a cost of doing business,' and receipt the Donor for the full amount of the donation. However, in the event that the administration fee for a donation is over \$2000, the Foundation may, in consultation with the Donor, deduct these fees from the gross amount of the donation and receipt the Donor for the net donation.
15. The Foundation will obtain independent assessment of the value of gifts of property.
16. The Foundation will not serve as executor of a donor's will or trustee of a charitable remainder trust, but may refer the donor to a trust institution that has agreed to provide this service.
17. Whenever possible, the donor should be informed of potential conflict with usual standards of practice and legal requirements at the time of the initial gift agreement.

202 DONOR BILL OF RIGHTS	Approved/Reaffirmed (Oct 2016)

POLICY:

To assure that donors and prospective donors can have full confidence in Osprey Community Foundation and causes they are asked to support, we declare that all donors have these rights:

1. To be informed of the Foundation’s mission, of the way the Foundation intends to use donated resources, and of its capacity to use donations effectively for their intended purpose.
2. To be informed of the identity of those serving on the Foundation’s governing Board, and to expect the Board to exercise prudent judgment in its stewardship responsibilities.
3. To have access to the Foundation’s most recent financial statements.
4. To be assured their gifts will be used for the purposes for which they were given (as specified in the Fund Agreement or Endowment Direction Form).
5. To receive appropriate acknowledgement and recognition, unless the donor has chosen to remain anonymous.
6. To be assured that information about their donations is handled with respect and with confidentiality to the extent provided by law.
7. To be treated with respect. Every effort will be made to honour their requests to:
 - Limit the frequency of solicitations
 - Not be solicited by phone or other technology, and
 - Not receive printed material concerning the Foundation
8. To be informed whether those seeking donations are volunteers, employees of the Foundation or hired solicitors.
9. To feel free to ask questions when making a donation and to receive prompt, truthful and forthright answers. Donors will be encouraged to seek independent advice if the Foundation has any reason to believe that a proposed gift might significantly affect the donor’s financial position, taxable income, or relationship with other family members.
10. The Foundation does not exchange, rent or otherwise share its fundraising list with other organizations.

203 FUNDS, FUND TYPES & CRITERIA FOR NAMING	Revised Nov 2021

PREAMBLE:

The Foundation gives individual donors, family foundations, businesses and charitable organizations a number of ways to fulfill their philanthropic objectives while supporting the wellbeing of our community.

The Foundation specializes in building endowment funds, where the capital is not encroached, and uses the funds' earnings to support the ever-changing needs and opportunities of our community.

The Foundation has a number of types of funds available for donors. Many of them are open funds where gifts may be made by any interested contributor thereby allowing even modest contributions to be joined with others' gifts for maximum charitable benefit.

Donors may name the fund that they endow – for themselves, a family member, a company or a valued friend. Some funds have names that convey specific goals or purposes, or hold special meaning to the donor. The criteria for naming and establishing funds are identified below in each fund definition.

POLICY:

Funds – General Guidelines

All funds are open funds, meaning that any donor can make a gift at any time, once the fund is opened.

Donors to designated and advised funds will be provided with an annual fund statement, reflecting additions to the funds, administrative and investment fees charged against the funds, grants from the fund and the determination of annual distributable earnings for the subsequent year.

Annual distributions from the fund will be identified as having come from the fund, unless the donor wishes the distribution to remain anonymous.

Fund Agreements will be required to establish all funds, and must be signed by two members of the Executive. The Board will approve templates for Fund Agreements for each type of fund after review by legal counsel. The Board must approve any changes to the clauses of these templates.

Fund Agreements can be amended during the lifetime of the donor.

The threshold for a Named Fund, Donor Advised Fund, Designated Fund or Agency Fund is at \$10,000 with a ten year period to meet the threshold.

Until such time as the \$10,000 pledge is fulfilled, the fund holder will be encouraged to recapitalize the income earned.

Community Fund

This fund will consist of donations, large and small, from a variety of sources – individuals, corporations and foundations. Donations to this fund give the foundation the greatest flexibility to respond to current community needs through the provision of grants to charities. A donor may establish a Named fund within the Community Fund.

Field of Interest Funds

Like the Community Fund, a Named Fund may be established within Field of Interest Funds whereby the donor identifies an area of interest that they would like to target their support (e.g. heritage, children and youth, relief of poverty, education, etc.). The donor empowers the Foundation to select worthwhile projects to support.

Donor Advised Funds

Donor advised funds enable a donor to have ongoing participation in the selection of charities that will benefit from their gift. Donors can choose this type of fund instead of creating a family trust or private foundation. Existing foundations are able to transfer their assets to Osprey to achieve higher returns or reduce administrative costs while still remaining involved in allocating grants.

Designated Funds

By establishing a designated fund, donors have the opportunity to specify which particular charity or charities they would like to support in perpetuity. If an organization ceases to exist, the donor has not named a successor beneficiary and the donor is deceased, the foundation will redirect the funds to a Named Fund within the Community Fund.

Agency Funds (e.g. endowed funds established by charitable organizations)

These funds can be created on behalf of registered charities. The fund allows the charity freedom from investment responsibility and gives donors the confidence of knowing that a permanent foundation is in place to professionally administer the charity's endowment. Once established, the charity will encourage their donors to contribute to their endowment fund.

Transferable Agency Funds

For an initial capital contribution of \$100,000 transferable funds can be established on behalf of registered charities. Funds with transferable terms provide a steady stream of income but allow charitable agencies to make requests to transfer, in whole or in part, the fund's capital at some future date. Such funds will not be pooled with Osprey's SRI endowment fund, rather, they will be established with the Vancouver Foundation as individually named Osprey funds alongside Osprey's CTF and SRI fund. These funds may be withdrawn under the terms set out in the Vancouver Foundation agreement to establish the fund. If redemption of capital occurs, it cannot be paid to an individual or corporation, but rather must be paid to a qualified donee. Unless a request to access capital is received, the fund will operate similar to a permanent endowment fund, with the capital of the donation invested for perpetuity and income being made available for distribution on an annual basis.

Osprey Community Foundation Administration Fund

The purpose of this fund is to offset the costs of operating the foundation. Donors are able to establish a Named Fund within this Administration Fund.

Legacy Fund

These funds are established in anticipation of an estate gift. Donors may establish a Legacy Fund in any of the above categories with an initial minimum donation of \$1,000 and a commitment that with all future gifts plus bequests and recapitalizations of income, the Fund will reach a minimum threshold of \$10,000. Until such a time as the \$10,000 pledge is fulfilled, the fund will not be listed on the Osprey fund chart and income earned will be recapitalized to the fund on an annual basis. Granting will begin when the fund reaches \$10,000.

Flow-Through Funds

Flow-through funds are non-endowed funds whereby the donations are received by the Foundation and then granted to a designated charitable organization on behalf of the donor(s).

While Osprey does not promote establishing flow through funds, the Board will consider creating them on a case-by-case basis where there is a demonstrated advantage to the long-term growth of the foundation. The following situations may arise to warrant consideration of such administration:

- Where Osprey is already holding an endowed fund for a donor who wishes to channel some additional charitable funding through Osprey.
- Where there is a desire on the part of Osprey to provide special service to an existing donor or one who has made a planned irrevocable gift.
- Where there is a strong possibility of a subsequent permanently endowed gift.
- Where there is a significant opportunity to profile support for either Osprey (as the intermediary) or the designated beneficiary(ies).
- Where there is a new community or broader partnership opportunity.

Care should be taken to ensure that advantage is not being taken of the Foundation, nor precedent set, in agreeing to such arrangements. Every attempt should be made to have the donor make a commitment to Osprey by making a meaningful gift to a permanent endowment.

An administrative fee may be charged on these Flow-Through Funds (see Policy #406).

204 Undesignated Donations	Approved Nov 2019

Undesignated Donations

The Foundation can receive donations that are not designated for any specific purpose or fund. The following policy has been developed to support the ongoing operational needs of the Foundation and the continued growth of the unrestricted Community Fund.

.

POLICY:

When a contribution to the Foundation is not designated by the donor for a specific purpose, that contribution may be allocated between the Osprey Administration Fund and the Osprey Community Fund at the discretion of the board.

2. Each grant recipient must fulfill all conditions specified in the Grant Agreement within the fiscal year for which the grant is allocated. Osprey Board may, at its discretion, extend this time limit upon request of the grant applicant.
3. Any proposed change to the use of the grant must receive prior approval of Osprey Board of Directors. Requests will be reviewed by the Grants Committee, which will make a recommendation to the Board. If the changes are minor, the ED may approve the changes and advise the Board.
4. Each grant recipient must submit a final report to Osprey as specified in the Grant Agreement.
5. Except in extenuating circumstances, Osprey grant recipients that have failed to submit a final report are ineligible to receive further funding until that final report has been submitted.

303 GRANT APPLICATION POLICY FOR POTENTIAL DONEES THAT ARE NOT REGISTERED CHARITIES	Approved/Reaffirmed (Oct 2016)

POLICY:

The Foundation wishes to provide a framework to facilitate partnerships within both the not-for-profit and the arts sectors so that the quality of life will be improved and the community will be strengthened.

As a Public Foundation, a community foundation is restricted by the Income Tax Act to making distributions only to organizations that are qualified donees. According to the Canada Customs and Revenue Agency, qualified donees are as follows:

- a registered charity (including a registered national arts service organization);
- a registered Canadian amateur athletic association;
- a listed housing corporation resident in Canada constituted exclusively to provide low-cost housing for the aged;
- a listed Canadian municipality;
- a listed municipal or public body performing a function of government in Canada;
- a listed university outside Canada that is prescribed to be a university, the student body of which ordinarily includes students from Canada;
- a listed charitable organization outside Canada to which Her Majesty in right of Canada has made a gift;
- Her Majesty in right of Canada or a province; and
- the United Nations and its agencies.

If not a qualified donee, a prospective applicant must obtain the sponsorship of a Registered Charity or other qualified donee through which an Osprey Community Foundation grant can be administered. This applies to a non-profit organizations seeking support through our traditional grants and local artists applying to the BC Festival of the Arts Legacy Fund.

The following procedure ensures that all applications to the Foundation will be from registered charities and that all grants are awarded to registered charities.

PROCEDURES:

1. Application forms state that grants can be made only to Registered Charities and other qualified donees.
2. Applicants must either have their own Revenue Canada Business Number or be sponsored by another group/organization with one. If an applicant is using

another group's number, the grant application must include written confirmation from the registered charity, indicating their agreement to sponsor the application.

3. The sponsoring agency must accept full legal responsibility for the project. The Grant Agreement will be signed by the sponsoring registered charity, and the grant will be made to that organization, which will be responsible for administering the grant.

The relationship between the grant applicant and the registered charity must be a bona fide one or both the Registered Charity and Osprey are at risk of being penalized by Revenue Canada. This means that the proposed project must reasonably fall within the mandate of the Registered Charity and the Charity exerts reasonable fiscal accountability for the funds. The latter means that there must be a contract in place between the grant applicant and the Charity and partial payments for larger grants are based on clear evidence of progress. Other reasonable fiscal controls should also be in place to ensure that the Registered Charity can appropriately administer the grant. Applicants can be referred to CFC's 'Tips and Tools' #15 that addresses this topic.

4. All grant recipients will be requested to provide a business number and their status as a registered charity or other qualified donee will be confirmed on the CRA's website as part of the usual "due diligence" review.
5. The Foundation, if possible, will suggest possible sponsors the prospective applicant might contact for support. However, the Foundation will NOT get involved in seeking out partnerships or negotiating agreements between the applicant and the registered charity. This is the responsibility of the prospective applicant and the qualified donee.
6. Prospective applicants with a clear link to the City of Nelson (for example, the Nelson & District Youth Centre, or organizations using City of Nelson buildings or facilities) may be able to obtain City of Nelson sponsorship. To facilitate this process, and reduce administrative load on the City staff, prospective applicants should fill in the form "City of Nelson sponsorship of Osprey Community Foundation grants" and present it to the CFO for a signature indicating that the City agrees to accept responsibility for the project.
7. Osprey Community Foundation will NOT consider taking the role of the sponsoring charity.

These Societies act as de-facto granting committees of the Osprey Board, providing the Board with recommendations as to how the income from their funds should be disbursed to benefit residents of those geographic areas. However, Osprey assumes financial and legal responsibility for grants disbursed.

POLICY:

The Osprey Board must approve all grant disbursements from these funds. Grant cheques will be issued by Osprey’s administration directly to approved grant recipients.

POLICY:

The foundation's financial affairs will be conducted in a responsible manner, consistent with the ethical obligations of stewardship and the legal requirements of provincial and federal regulators.

PROCEDURES:

1. All donations will be used to support the charitable purposes of the foundation, as specified in the governing documents registered with CRA.
2. All donations will be used for the purposes for which they were given. If an alternate use for a donation is necessary due to program or organizational change, this use will be discussed where possible with the donor or the donor's legal designate. If the donor is deceased and the foundation is unable to contact a legal designate, the donation will be used in a manner that is as consistent as possible with the donor's original intent.
3. The annual financial statements will be prepared using generally accepted accounting principles and standards established by the Chartered Professional Accountants of Canada, in all material respects. The statements will disclose total amount of donations and expenses including salaries and overhead and identification of government grants and contributions separately from donations.
4. Annual fund holder reports will be sent to the contact people for designated, scholarship and donor-advised funds.
5. The foundation will meet or exceed the Canada Revenue Agency's requirement for expenditures on charitable activities.

402 INVESTMENT POLICY – LONG TERM	Approved/Reaffirmed (Oct 2016)

POLICY:

1. Osprey Community Foundation will permanently invest the endowment funds it receives with the Vancouver Foundation.

Exceptions to this practice will only be made with the approval of the Board and in rare circumstances (for example, when a financial institution makes a substantial gift to the Foundation that is contingent upon the funds being invested with that institution).

2. All new funds invested with the Vancouver Foundation will be invested in Osprey’s Socially Responsible Investment (SRI) Fund.

403 INVESTMENT POLICY – SHORT TERM & SECURITIES	Approved (Oct 2016)

PREAMBLE:

Osprey seeks to maximize and benefit from the interest it generates on cash it holds that is not immediately needed for operational expenses or grant disbursements. For instance, quarterly distributions received from the Vancouver Foundation may be held for a period of months before the funds are disbursed in the forms of grants. The interest generated by these funds contributes revenue for Osprey’s operations.

POLICY:

Osprey will maintain a high-yield account where such funds can be invested short-term until they are needed.

The brokerage account can also be used when donors wish to transfer a gift of shares to Osprey. They will be immediately converted to cash, and can be held in that account until they are endowed with the Vancouver Foundation.

The donation value of transferred shares (the amount for which a charitable receipt is issued) will be the cash value on the day that the shares are received by the broker rather than on the actual day of sale, which may be later. Osprey will absorb any difference between donation and actual cash value received.

405 ADMINISTRATIVE FEE – ENDOWED FUNDS	Reaffirmed June 2021

POLICY:

Administrative fees will be charged on all endowment funds unless otherwise defined in the individual deed of gift.

PROCEDURES:

1. The provision of administrative fees will be included in all fund agreements.
2. Osprey will charge an annual administrative fee based on the fair market value of the funds, unless otherwise defined in the individual deed of gift. The administrative fee is calculated based on the daily capital balance in the fund.
3. The Board of Directors will assess the appropriateness and effectiveness of the rates from time to time taking into consideration such factors as the percentage investment return on endowed funds, the market value of the endowed funds, the costs of administering the Foundation, other stable sources of revenue and any other factors that might affect the operational capabilities of the Foundation.

Finance / Endowment Management	Approval Status
406 ADMINISTRATIVE FEE – FLOW-THROUGH FUNDS	Approved/Reaffirmed Oct 2016

PREAMBLE

Flow-through funds are non-endowed donations where the principal is distributed to one or more charitable beneficiaries.

While Osprey does not promote flow through donations, situations may arise to warrant consideration of such administration.

- Where Osprey is already holding an endowed fund for a donor who wishes to channel some additional charitable funding through Osprey.
- Where there is a desire on the part of Osprey to provide special service to an existing donor or one who has made a planned irrevocable gift.
- Where there is a strong possibility of a subsequent permanently endowed gift.
- Where there is a significant opportunity to profile support for either Osprey (as the intermediary) or the designated beneficiary(ies).
- Where there is a new community or broader partnership opportunity that ultimately benefits Osprey.

Care should be taken to ensure that advantage is not being taken of the Foundation, nor precedent set, in agreeing to such arrangements. Every attempt should be made to have the donor make a commitment to Osprey by making a meaningful gift to a permanent endowment.

POLICY

Osprey’s administration fee on flow-through funds shall be determined on a case-by-case basis at the time the fund is established, taking into account the amount of interest that will be generated while Osprey holds this fund, and the administrative work that will be required to manage the fund (number of donations processed, charitable receipts issued, cheques written, etc.).

The fee range will be from 2% to 10% of flow-through capital donated to the fund, with a minimum \$300 fee.

This administration fee can be waived at the discretion of Osprey’s board.

Note: This policy does not apply to the smaller flow-through funds that are associated with endowed funds and that may hold undistributed amounts for granting or amounts used to top up scholarship awards.

407 Vancouver Foundation ADMINISTRATIVE FEE – Rebate Policy	Revised Nov 2021

PREAMBLE

The Vancouver Foundation (VF) charges an annual cost recovery fee (covering investment management fees and VF administration costs) on the funds that they hold in trust for the Osprey Community Foundation (OCF). The fee charged is based on the market value of the funds June 30th of the previous year.

Rather than being a separate charge deducted from the income distributions, the fee is factored in as a reduction of the annual distribution rate that VF uses to calculate the quarterly income distributed to OCF from the pooled investment funds.

VF pays a specified % quarterly "Administration fees rebate", calculated on the market value of the pooled funds at the end of each applicable quarter. VF may change the specified % from time to time. VF has explained that the purpose of this rebate is to provide community foundations with additional funds for investing, granting or covering administrative costs.

Using the OCF budget and current results as a guide, the rebate received will provide the Board an additional variable while considering the administration fee to be charged in December of each year by OCF on donor funds. The administration fee procedure is outlined in Policy 405.

POLICY

1. Any administrative fee rebate allocated by the Vancouver Foundation to the Osprey Community Foundation is to be shared pro-rata with the Affiliate Funds based on respective fund contributed capital values.

2. For the OCF portion, through the annual OCF budget review process, the Board will set the utilization of the administrative fee rebate based on the budgeted financial needs of the Foundation. The rebate can be used to:
 - a) reinvest with the Vancouver Foundation or any other vehicle deemed appropriate by the Board of Directors,
 - b) grant to qualified donees,
 - c) fund administrative costs or reduce the annual OCF administration fee income.

3. For the affiliate fund portions, the rebate will be identified separately on the respective quarterly affiliate fund report. Upon receipt of the quarterly fund report or anytime thereafter, the affiliate may:
 - a) reinvest the funds,
 - b) grant the funds to qualified donees,
 - c) utilize the funds for administrative purposes

The two signers on any disbursement must not be related or work for the same organization.

409 INTERNAL FINANCIAL POLICIES	Revised Nov 2021

PREAMBLE

It is the Board’s responsibility to monitor the financial management of Osprey Community Foundation. The Board must exercise due diligence to protect the assets of the Foundation, and ensure that the organization has adequate internal controls to guard against mismanagement.

The addition of staff in recent years has required the development of new procedures, as well as clarification of the roles and responsibilities of the Executive Director versus the Treasurer or Finance Committee.

POLICIES

1. The Board authorizes the Executive Director (“ED”) in consultation with the Executive Committee to oversee the day-to-day financial management of the Foundation. The ED, in consultation with the Treasurer, will develop procedures to be followed in managing the financial transactions of the Foundation to ensure that there are adequate internal controls. The ED will ensure that a current copy of the financial procedures is available to any Board member for their review and comment.

2. The Treasurer assumes a general oversight and advisory role for the Foundation’s finances, reviewing financial reports, budgets and accounts; liaising with staff on financial and regulatory issues; ensuring that appropriate financial systems and controls are in place; ensuring that record keeping and accounts meet the conditions of funders or statutory bodies; and ensuring compliance with relevant legislation. The Treasurer will supervise staff preparation of materials for the annual audit, CRA Charities Return, GST filing, and other regulatory requirements. The Treasurer will report to the Finance Committee for review oversight, and will provide financial reports to the Board of Directors from time to time.

3. Operating Budget

The ED, in consultation with the Finance Committee, will compile an annual operating budget that reflects the Foundation’s strategic plan and operational needs, and is a guideline for spending for the coming year. The draft budget shall be presented to the Board at the first board meeting of the fiscal year for approval. Year to date financial summary will be presented to the Board quarterly. Any major variance from budget will be explained and support information provided to the Board as requested.

4. Spending Approval

The ED must approve all operating expenditures before cheques or electronic payments are issued. The ED is authorized to commit to expenditures within the Foundation’s approved budget for amounts \$5000 or less. For amounts in excess of \$5000, prior approval of the

Executive Committee is required. Expenditures outside of the approved annual budget in excess of \$1000 require Board approval.

5. Grant Disbursements

The ED will approve and issue all Grant disbursements, once granting amounts have received Board approval.

6. Annual Financial Audit

The Board shall ensure that an external audit is conducted annually. The ED, working with the Treasurer, shall ensure that all materials requested by the auditor are supplied. The Board receives and approves the audited financial statements at the Board meeting immediately preceding the annual general meeting where they are presented to the membership. The audited financial statements shall be posted on Osprey's website and be made available to the community for financial accountability and transparency.

7. Risk Management

The Board shall carry Property, General Liability and Directors and Officers Liability insurance. Policy coverage for Osprey in sufficient amount to protect Directors, Officers, staff and the organization's property and assets from foreseeable risk. Policy coverage shall be reviewed by the Finance Committee annually.

410 ACCEPTING CHARITABLE GIFTS FOR ADMINISTRATIVE COSTS OF OSPREY AFFILIATES	Approved/Reaffirmed Oct 2016

PREAMBLE

Our affiliate community funds occasionally ask Osprey to accept, on their behalf, charitable donations which can be used to fund their operations - for example for fund promotion, advertising, printing, and board development costs.

This presents Osprey with some regulatory and administrative challenges, as Osprey cannot simply forward charitable donations it receives on behalf of the affiliates. This money must be used for charitable purposes, and neither the Community Fund of North Kootenay Lake Society nor the Slocan Valley Community Legacy Fund Society has charitable status. Nor can Osprey contract with these societies and pay them to administer Community Funds on Osprey's behalf, as according to Osprey's foundation documents, it is only able to grant to 'qualified donees.'

Instead, Osprey has to receive the donations for its own charitable purposes, must directly pay any invoices, and must track these revenues and expenses. This has implications for our administrative workload.

Also, a charity cannot accumulate charitable donations; they are subject to a disbursement quota. We cannot receive large donations that just sit in our account for years.

POLICY

Osprey will accept flow-through charitable donations for the administrative costs of affiliate funds under the conditions outlined in the following procedures.

PROCEDURES

The affiliate funds will agree to these conditions:

- The donation amounts are to be 'reasonable' - not more than is likely to be spent over the next 12 months.
- The number of expenses paid from these funds will also be 'reasonable' - perhaps a half dozen per year. In other words, the money will be used to pay for several large invoices not numerous small ones.
- The expenses to be covered are for purposes consistent with Osprey's current operating practices (advertising, printing, postage, conference expenses, etc.)
- Osprey will receive the invoices and pay the suppliers directly, by cheque.*
*An exception can be made where there's no alternative to charging an expense to an individual board member's credit card, such as for airfare to a CFC conference. In that case, Osprey will reimburse the individual for the cost, provided we have the invoice and proof of payment.
- Osprey will receive confirmation from the Society's treasurer or chair for each expense

411 TRANSACTION FEES	Revised/Approved Jan 2019

POLICY

Transferring a gift from the Donor to the Foundation may involve legal fees, transaction costs, commissions or carrying charges.

1. In the case of non-cash gifts such as securities, life insurance, real estate, etc., these fees are the responsibility of the Donor unless otherwise negotiated. The Foundation will endow and provide charitable tax receipts for an amount that is net of these fees and charges.
2. For online donations received through PayPal and Canada Helps, the Foundation will normally absorb the administration fees 'as a cost of doing business,' and receipt the Donor for the full amount of the donation. An exception may be made in the event that the Foundation receives a very large donation via PayPal or Canada Helps, resulting in an administration fee of over \$2000. In that case, Osprey may, in consultation with the Donor, deduct these fees from the gross amount of the donation and receipt the Donor for the net donation.

Finance/Endowment Management	Approval Status
412 CORPORATE (FOUNDATION) CREDIT CARD	Approved Oct 2019

PREAMBLE

Some smaller Foundation expenditures are paid using funds from “petty cash”. Some larger expenditures are paid personally by the Executive Director or Operations Assistant and reimbursed through an expense report claim.

The petty cash process requires that the Executive Director prepare a cheque payable to herself (himself), cash the cheque and maintain a small cash fund in the office. Currently (September 2019) the balance of the petty cash fund is \$200. At any point in time, the fund should be comprised of cash and receipts totaling \$200. The petty cash fund is reconciled once a year.

Funding Foundation expenditures through employees’ personal cash or credit cards puts an unreasonable amount of financial risk on the employee.

Providing a corporate (Foundation) credit card would make it safer and simpler for both Osprey and the Executive Director or Operations Assistant.

POLICY

Issuance of a corporate credit card (“card”) shall require a resolution or approved proposal of the Board of Directors setting the credit limit on the card and specifying the authorized users of the card. The card account and agreement shall be between the Foundation and the card issuer. The card shall be issued in the name of the Osprey Community Foundation and may also bear the name of the Foundation’s authorized users.

PROCEDURES:

1. Authorized expenditures under this policy may be transacted through use of a card issued by the Foundation’s current financial institution. No unauthorized or personal expenditures shall be made using the card. No cash advances shall be taken using the card.
2. Card receipts shall be retained by the authorized users and presented to the Foundation monthly for reconciliation and audit purposes. Missing receipts shall be replaced with an appropriate memorandum from the authorized user detailing the expenditure and attaching a supporting invoice where available.
3. Card balances shall be reconciled and paid in full on or before the due date for payment. There shall be no unpaid balances carried forward on the card.

4. Disputed charges identified at the time of reconciliation shall be reported to the Board and immediately referred by the Executive Director to the issuing financial institution for action or settlement.
5. In the event that a card has a rewards program, the Board shall determine whether users of the card shall enroll in that rewards program. Any rewards program fees will be paid by the Foundation and all program rewards and benefits, including frequent flyer points, will accrue to the Foundation or will be applied by the card user to Foundation business.
6. An authorized user of the card loses that authority concurrently with resignation or termination of employment and shall surrender the card to the Foundation.
7. The Executive Director shall be responsible for compliance with the terms of the Agreement under which the credit card is issued.
8. A credit limit of \$5,000 shall be set on the card.

When Osprey is invited to participate in a community initiative, the Board of Directors will give consideration to foundation resources and strategic priorities when making its decision.

PROCEDURE

These are some of the factors the Board will want to consider:

- Is initiative consistent with the foundation’s mission, vision and strategic priorities?
- Does this initiative advance an opportunity for fund development or granting?
- What is the impact on the foundation’s resources if the foundation participates in initiative?
- If initiative requires the use of discretionary (unrestricted) funds, would such use have a detrimental effect on Community Grants Program?
- What are the potential risks and benefits (e.g., public relations, credibility)?
- Will initiative eventually be weaned from the foundation’s participation, and if so, what is the plan?
- How will the success of the initiative be evaluated?
- How urgent is the initiative and what is the timeline?

PURPOSE

Osprey has a duty to accommodate employees in achieving a balance between professional and personal responsibilities in a manner that benefits both the employee and the employer.

POLICY

Osprey will work with any employee who requests alternative work arrangements (e.g., flexible time, compressed work week, telecommuting, job sharing, reduced hours) to best meet their needs, recognizing that the Foundation must be able to satisfy its operating requirements. Any such arrangement must also be fair to other employees.

PROCEDURE

Any alternative work arrangement must be approved by the Executive Director or, in the case of the Executive Director requesting alternative work arrangements, by the Board. 602 DISCIPLINE	Dec 2018

POLICY

Osprey does not condone inappropriate behaviour (see Policy 111 Code of Conduct) on the part of its employees, either by act or omission, and will work to correct such behaviours and make favourable change.

PROCEDURES

1. Prior to any disciplinary action, it is expected the Executive Director will have given specific performance expectations (oral and written) to the employee.
2. Disciplinary action will include the following, reflecting a progressive discipline. Progressive discipline does not preclude the employer from repeating disciplinary action at any stage of the progression.
3. The progressive discipline process will attempt to identify, at every stage, reasons for, and solutions to, the underlying reasons for the identified problem.
 - a) Verbal warning – a verbal statement of warning to an employee by a supervisor, including specific infraction and specific expectations for improvement.
 - b) Written warning – a meeting between the employee, Executive Director and Board Chair or designate to discuss an infraction of the employee’s performance standards during which a written notice setting forth the infraction and a statement of the consequences is given to the employee.
